A Team named **TEAM MATRIX (JUTEX)** from The Department of Mechanical and Production Engineering of Program Mechanical Engineering of Ahsanullah University of Science and Technology **won THE HULT PRIZE REGIONAL HO CHI MINH CITY 2020**. They have competed with 80 International Teams from different universities of the world who became on campus champion of HULT PRIZE of their

respective universities. **They have been selected for the Accelerator Round of HULT PRIZE 2020, which will take place in Boston, USA.**

TEAM MATRIX (JUTEX) is the only team from Bangladesh to win any REGIONAL CHAMPIONSHIP of HULT PRIZE 2020 and 1st ever team from AUST to win any REGIONAL CHAMPIONSHIP. Early in February, they became the CHAMPION OF HULT PRIZE at AUST 2020.
